SDEC 2025: Pioneering the Future of Digital Innovation

8-11 October 2025 • Kuala Lumpur Convention Centre

Smart Cities | Artificial Intelligence | Semiconductors | Startups

As a key pillar of the Selangor International Business Summit (SIBS), the Selangor Smart City & Digital Economy Convention (SDEC) is the premier gathering of industry leaders, tech innovators, policymakers, startups, and SMEs. The convention explores cutting-edge solutions shaping the future of smart cities, AI, semiconductors, and digital economies.
