

4TH SELANGOR
LIFE SCIENCES
CONVENTION
SLC 2024

16-19
OCTOBER
2024

HALL 6, LEVEL 1
KUALA LUMPUR CONVENTION
CENTRE (KLCC)

Selangor stands out as Malaysia's most progressive and developed state, offering a gateway to the world through its strategic positioning, especially to other ASEAN countries. With cutting-edge manufacturing technology, Selangor has become the go-to destination for global business investors.

ABOUT SELANGOR

Nestled between Kuala Lumpur, the bustling business capital, and Putrajaya, the administrative hub, Selangor's location is unparalleled. It boasts proximity to both the Kuala Lumpur International Airport (KLIA) and its own Sultan Abdul Aziz Shah Airport in Subang. Adding to its allure, Selangor is home to the renowned Port Klang, the second busiest container port in ASEAN. These strategic entry points position Selangor as an exceptionally attractive trading hub, particularly within the ASEAN region.

ABOUT INVEST SELANGOR

Invest Selangor Berhad is the premier one-stop state government agency, dedicated to providing information and advisory services to potential and existing investors as well as assistance in setting up operations in Selangor, the Golden State of Malaysia and the most competitive gateway to the ASEAN region.

Invest Selangor Berhad has been the driving force behind the Selangor International Business Summit (SIBS) which has been an avenue for ASEAN and non-ASEAN businesses alike to explore the Malaysian market and continues to serve as a springboard to tap into the broader ASEAN market, home for over 680 million consumers and more than 200 of the world's largest companies.

Since our inception, Invest Selangor Berhad has attracted more than **6,496 (1999-2022)** manufacturing projects in Selangor and have been indirectly responsible for creating **476,886 (1999-2022)** jobs and more than **RM218.3 billion (1999-2022)** worth of manufacturing investments to the state.

The Selangor International Business Summit (SIBS) is Invest Selangor's platform for ASEAN and international bodies to convene and explore the ASEAN market's massive potential, bridging the gap between developers and consumers within focused industries and reversing the economic effects of the global pandemic.

ABOUT SELANGOR INTERNATIONAL BUSINESS SUMMIT

Selangor International Business Summit (SIBS) has stamped itself as the main definitive event platform for industries to expand opportunities into new markets in Malaysia and ASEAN. Over the years, SIBS has shown tremendous progress and become the event of choice for industry players not only from Malaysia but also from many parts of the world.

Held at the prestigious Kuala Lumpur Convention Centre, SIBS 2024 comprises of many components under one roof, Selangor International Expo (F&B), Selangor Life Sciences Convention (SLC), Selangor Investment & Industrial Park Expo (SPARK), Selangor ASEAN Business Conference (SABC), Selangor Smart City and Digital Economy Convention (SDEC) and Selangor R&D and Innovation Expo (SRIE). All components are carefully curated and give benefit the industry players in all aspects of their businesses.

SIBS 2023 has achieved unprecedented results and broke all prevailing records previously made. A total of 972 booths from 83 countries have made their presence and achieved great results. In addition to that, a series of conferences, seminars, fireside chats, and pocket talks were organized during the event which benefited the delegates and attendees in charting their businesses for the future.

SIBS 2024 will embark into a new journey, where it will be held in two series, one from 25-27 July 2024 and the second from 16-19 October 2024. Come and seize the opportunity in expanding your presence in the region through SIBS 2024!
